Dear M. TRUMPF,

PayCert has received a request, submitted by Euro-Information, your company, for the Certification of the ACQ application product Open Card System (version 01.05.04.07), hereafter referred to as the Product and identified above as "Open Card System".

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as PAY.ELI.EUI.HAP.320.15030001A and we have assessed your Test Report (ref. ELITT/LABO/OSCar/2015_162), which was generated by ELITT, following the Test Plan "OSCar Acquirer Tests Cases v2.1.2".

Based on these elements, PayCert has found reasonable evidence that the submitted samples of the Product complies to the OSCar Integration Specification version 3.2.

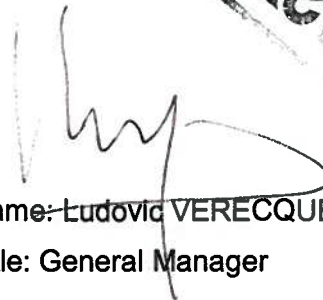

PayCert hereby grants the Product Certification of compliance with the requirements stated by the OSCar Implementation Specification v3.2 technical specification, and will include your Product in the certified products list, published on PayCert website (www.paycert.eu).

Please note that PayCert's Certification is subject to the following terms and conditions as listed hereafter :

i) The Certification is granted on the basis of the OSCar Certification Policy and therefore will expire on the 19. March 2017.

ii) If the Product is changed, Euro-Information must notify PayCert of this fact in writing. Any change in the Product that may generate a different behaviour with respect to the OSCar Integration Specification or a difference in the Product Implementation Conformance Statement will be considered a major modification subject to a new evaluation in order to maintain the present Certification.

iii) The Present Certification granted to Euro-Information for the above referenced Product is non-transferable to any other vendor.
