OSCar Certificate - POI application

Certificate Number: PAY.ELI.ING.POI.320.1508001
Product/System name: AXIS CROSS-BORDER EU (commercial identification)
Compliant with : OSCar Integration Specification v3.2

Dear M. Michel MANNHART,

PayCert has received a request, submitted by INGENICO, your company, for the Certification of the POI application product OSCar POI Axis K5 Server / IPP350 Terminal - SEPA FAST Application (version 04.10), hereafter referred to as the Product and identified above as "AXIS CROSS-BORDER EU".

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as PAY.ELI.ING.POI.320.1508001B (05/11/2015) and we have assessed your Test Report (ref. ELITT/LABO/OSCar/2015-168 (1st run) & ELITT/LABO/OSCar/2015-170 (2nd run)), which was generated by ELITT, following the Test Plan "OSCar POI Test Cases v2.1.2".

Based on these elements and after assessing them in the Certification Report (ref. CER/EVR/TER/2015-021 v1.0), PayCert has found reasonable evidence that the submitted samples of the Product complies to the OSCar Integration Specification version 3.2.

PayCert hereby grants the Product Certification of compliance with the requirements stated by the OSCar Implementation Specification v3.2 technical specification, and will include your Product in the certified products list, published on CFCF website (www.cfcf.eu).

Certification Body : **PayCert**

153 rue St Honoré

75001 Paris

France

Please note that PayCert's Certification is subject to the following terms and conditions as listed hereafter :

i) The present Certification, granted on the basis of the CFCF Certification Policy, is valid as of today and will expire on the 16/11/2016.

ii) If the Product is changed, INGENICO must notify PayCert of this fact in writing. Any change in the Product that may generate a different behaviour with respect to the OSCar Integration Specification or a difference in the Product Implementation Conformance Statement will be considered a major modification subject to a new evaluation in order to maintain the present Certification.

iii) The Present Certification granted to INGENICO for the above referenced Product is non-transferable to any other vendor.

iv) As detailed in the ICS as well as the aforementioned Certification Report and the CFCF letter to Ingenico dated 21st October 2015, the present Certification is based on the following exemptions including currently on-going Specification analysis:

- PPSE Application Selection Module, version 00.26 (deviation)
- OSCar-IS-CR-20151006-01 (CR pending analysis)
- OSCar-IS-CR-20151021-01 (CR pending analysis)
- OSCar-IS-CR-20151021-02 (CR pending analysis)
- OSCar-IS-CR-20151021-03 (CR pending analysis)
- OSCar-IS-CR-20151021-04 (CR pending analysis)

The CFCF Certification Committee has assessed that the items listed above are, at the present time, non-blocking for the Certification. However depending on the outcome of the CRs and on the monitoring of the Product in the field, Ingenico may have to implement the necessary specification changes within an appropriated time.

In case the Product deployed in the field is stable and the CRs are resolved, the Certificate duration could be extended to the nominal duration.

The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.
