OSCar Certificate - POI application

Certificate Number: PAY.ELI.ING.POI.320.1607001
Product/System name: Tetra Move 5000 (commercial identification)
Compliant with : OSCar Integration Specification v3.2

Dear M. ROY,

PayCert has received a request, submitted by INGENICO, your company, for the Certification of the POI application product Tetra Move 5000 (version 3.1.0), hereafter referred to as the Product and identified above as "Tetra Move 5000".

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as PAY.ELI.ING.POI.320.1607001C (12/12/2016) and we have assessed your Test Report (ref. ELITT/LABO/OSCar/2017-064-001), which was generated by ELITT, following the Test Plan "OSCar POI Test Cases v2.1.2".

Based on these elements, PayCert has found reasonable evidence that the submitted samples of the Product complies to the OSCar Integration Specification version 3.2.

PayCert hereby grants the Product Certification of compliance with the requirements stated by the OSCar Implementation Specification v3.2 technical specification, and will include your Product in the certified products list, published on CFCF website (www.cfcf.eu).

Please note that PayCert's Certification is subject to the following terms and conditions as listed hereafter :

i) The present Certification is granted on the basis of the CFCF Certification Policy and therefore is valid as of today and will expire on the 16/02/2019.

Certification Body : **PayCert**

153 rue St Honoré

75001 Paris

France

ii) If the Product is changed, INGENICO must notify PayCert of this fact in writing. Any change in the Product that may generate a different behaviour with respect to the OSCar Integration Specification or a difference in the Product Implementation Conformance Statement will be considered a major modification subject to a new evaluation in order to maintain the present Certification.

iii) The Present Certification granted to INGENICO for the above referenced Product is non-transferable to any other vendor.

iv) As detailed in the aforementioned Certification Report, the present Certification is based on the following exemption :

- AID Preference Table is not supported (deviation)

The CFCF Certification Committee has assessed that the item listed above is, at the present time, non-blocking for the Certification.

Depending on the monitoring of the Product in the field, INGENICO may have to implement the necessary specification changes within an appropriated time.

The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.
