Please note that PayCert's Certification is subject to the following terms and conditions as listed hereafter:

i) The present Certification is granted on the basis of the CFCF Certification Policy and therefore is valid as of today and will expire on the 1st July 2026.

ii) If the Product is changed, Euro Information must notify PayCert of this fact in writing. Any change in the Product that may generate a different behaviour with respect to the nexo Integration Specification or a difference in the Product Implementation Conformance Statement will be considered a major modification subject to a new evaluation in order to maintain the present Certification.

iii) The Present Certification granted to Euro Information for the above referenced Product is non-transferable to any other vendor.

The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.
