In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as “VOB.VZP.FD.POI.400.25100001A” (see Annex of this certificate), and we have assessed your test report “V8026”, which was generated by Pagateq (a Brand name of VÖB-ZVD Processing) on 29 October 2025 following the Test Plan “nexo-IS POI test cases, version 4.0.23, 16 August 2022”.

Based on these elements, VÖB has found reasonable evidence that the submitted sample of the Product complies with the “nexo Implementation Specification, Version 4.0, 22 December 2017”.

VÖB hereby grants the Product Certification of compliance with the requirements stated by “nexo Implementation specification, version 4.0, 22 December 2017”, and will include your Product in the certified products list, published on CFCF website (www.CFCF.eu).

Please note that the present Certification is subject to the following terms and conditions as listed in the CFCF Certification Framework:

- The present Certification is granted on the basis of the CFCF Certification Policy and is therefore valid as of today and will expire on the 4 November 2027.
- With regard to this certification, neither CFCF nor VÖB as the Certification Body do accept any liability for direct or indirect losses, caused by operating the Product in the field.
- If the Product is changed, FirstData GmbH must notify VÖB of this fact in writing. Any change in the Product that may generate a different behavior with respect to the “nexo Implementation Specification, Version 4.0, 22 December 2017” or a difference in the Implementation Conformance Statement will be considered a major modification subject to a new compliance assessment.
- The Present Certification granted to FirstData GmbH for the above referenced Product is non-transferable to any other vendor.
- VÖB has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.

If you have any questions, please do not hesitate to contact us.

Kind regards
For the CFCF Consortium
